FROM: ROBERT T. KENNEY, DIRECTOR

SUBJECT: WATERFRONT PROJECT, MASS. R-77
Permission to Advertise Planter-Bench

Permission is requested to advertise for bids for a Planter-Bench on the widened sidewalk on Commercial Street in the Downtown Waterfront Urban Renewal Project.

The work consists of the construction of an 18" concrete block wall on a concrete footing with a brick veneer, enclosing a planting area with shrubs.

State Street Engineering submitted a price of $22,000.00 to do this work under a Change Order to Site Preparation Contract "Y", however, Schoenfeld Associates, Inc., Consulting Engineers, has estimated the work involved to be approximately $15,500.00, and if permission is granted, $8,654.00 worth of brick sidewalk and street in the area of the Planter-Bench would be deleted from Site Preparation Contract "Y".

Therefore, permission is hereby requested to advertise for bids for a Planter-Bench in the Waterfront Project, Mass. R-77.

VOTED: That the Secretary is authorized, in behalf of the Authority, to advertise for bids a Planter-Bench in the Waterfront Project, Mass. R-77.
